

## + How can we improve this?

And what would be the objective function?

You are cordially invited to Robert and Alexandra's delectable after-dinner party. Wine and nibbles will be served. when: june 30th, 2012 at 9:30pm. Where: the pad. if you need directions, ping us. Kindly let us know if you'll be attending by june 1st.

### 1. How can we improve this?

Highlight the stuff like the date and the confirmation. I think it would also be better to include the address of the location. The one invited must be overwhelmed because the invitation looks too lengthy because it's in a paragraph. Instead, make it shorter and highlight what's needed to be known by the people who are invited.

### 2. What would be the objective function?

Tell me what the passage is all about. What is the objective?

All that is known is that it's a after dinner party at "The Pad". It's kind of confusing on what it is on about. I made a research about after dinner party and it's usually about wedding and stuff. The invitation is talking about wine and nibbles so it must be a drinking party from what I understood.
